User & Learner Guide

## ProBitian Website User Guide

Official User & Learner Guide for the ProBitian Business Intelligence & Data Analytics Platform.

### 1. Introduction & Platform Overview

ProBitian is a premium, end-to-end Business Intelligence and Data Analytics learning ecosystem founded by Shivam Baghel. The platform is designed to help students, data analysts, BI developers, and technology enthusiasts master practical skills in Power BI, SQL, Python, Excel, Financial Modeling, and AI-assisted analytics.

#### Core Objectives

- Hands-On Learning: Interactive access to skill modules, video tutorials, and real-world project portfolios.
- Portfolio Building: Downloadable dataset files (CSV, XLSX) allowing learners to build verified resume projects.
- Industry Insights: In-depth blog articles on DAX formulas, data engineering, and career growth strategies.
- Direct Engagement: Seamless contact forms and newsletter channels for personalized career guidance.

### 2. Website Navigation & Layout

The ProBitian website features an intuitive single-page application (SPA) architecture with hash-based route navigation for instantaneous page transitions.

#### Header Navigation Bar

- ProBitian Logo: Click anytime to return to the Home page.
- Navigation Links: Home, Learn, Projects, Blog, About, Contact.
- Theme Switcher: Sun/Moon icon in the top right toggles between Light Mode and Dark Mode.
- Responsive Mobile Menu: On mobile devices, a hamburger icon opens a full-screen mobile menu.

#### Navigation Routes

- Home (#/): Platform overview, hero stats, top courses, featured portfolio projects, and YouTube highlights.
- Learn (#/learn): Complete course catalog, categorised skill paths, and interactive curriculum modals.
- Projects (#/projects): Interactive gallery of real-world Power BI & SQL dashboards with live demos and dataset links.
- Blog (#/blog): Technical articles, DAX optimization guides, and BI career frameworks.
- About (#/about): Mission statement, founder bio, business impact metrics, and learning roadmap.
- Contact (#/contact): Direct message portal for course inquiries, mentorship, or project collaborations.

### 3. Home Page Guide

The Home page serves as the entry point to the ProBitian ecosystem.

#### Key Sections & Interactions

- Hero Banner: Displays core tagline, interactive "Start Learning" button (navigates to #/learn) and "Explore Projects" button (navigates to #/projects).
- Value Proposition Cards: Highlights key pillarsMaster Power BI, SQL Querying, Advanced Excel, and AI integration.
- Featured Course Cards: Direct enrollment buttons opening detailed course curriculum modals.
- Featured Project Showcase: Interactive cards displaying project badges, tools used, and direct modal popups.
- Latest Blog Articles: Quick-read summaries with direct links to full technical posts.
- YouTube Community Highlights: Direct links to video tutorials and channel subscription links.
- Footer & Newsletter: Instant subscription box for receiving weekly dataset drops and tips.

### 4. Learn Page Guide

The Learn page hosts the structured curriculum for data professionals.

### Course Directory Features

- ½ Category Tabs: Filter by All, Power BI, SQL, Excel, Python, or AI.
- ½ Skill Level Indicators: Clearly marked as Beginner, Intermediate, or Advanced.
- ½ Interactive Course Modals: Click any course card to open the modal containing:
  - ½ Full course overview & learning outcomes.
  - ½ Video lesson links and YouTube tutorials.
  - ½ PDF downloadable guides and cheat sheets.
  - ½ Practice dataset download buttons.

## 5. Projects Page Guide

The Projects page offers production-grade portfolio projects designed for resume enhancement.

### Project Gallery Features

- ½ Filter Options: Power BI, SQL, Python, Financial Dashboards, Executive Analytics.
- ½ Project Modal Views:
  - ½ Problem Statement & Business Solution.
  - ½ Tools & Technologies Used (e.g. Power BI Desktop, DAX, PostgreSQL, Python).
- ½ External Action Buttons:
  - ½ Live Interactive Demo: Launches embedded or hosted web dashboard.
  - ½ GitHub Repository: Inspect clean SQL queries and Python scripts.
  - ½ YouTube Tutorial: Step-by-step video walkthrough.
  - ½ Dataset Download: Instant access to sample raw data.

## 6. Blog Page Guide

The Blog section contains technical tutorials and industry insights.

### Article Reader Experience

- ½ Category & Tag Filters: DAX, Data Modeling, SQL Optimization, AI Tools.
- ½ Article Modals: Clean typography with code snippets, key takeaways, and embedded YouTube video links.

## 7. About Page Guide

Learn about the driving force behind ProBitian.

### Highlights

- ½ Founder Profile: Shivam Baghel's background in Business Intelligence and Data Engineering.
- ½ Impact Metrics: Over 10,000+ learners reached, 50+ projects created, 100+ articles published.
- ½ Mission: Democratizing high-quality, practical data education.

## 8. Contact Page Guide

Get in touch with Shivam Baghel or the ProBitian support team.

### How to Submit an Inquiry

1. Fill in your Full Name, Email Address, and optional Phone Number.
2. Select your Subject or Interested Course (e.g., Power BI Mastery, SQL Bootcamp).
3. Type your Message in the message box.
4. Click "Send Message".
5. Receive immediate on-screen confirmation.

## 9. Newsletter Subscription

- ½ Located in the global website footer.
- ½ Enter your email address and click "Subscribe".

½ Receive immediate confirmation without page reloads.

## 10. Social Channels & Community

½ YouTube: Direct links to @probitian for free full-length courses.

½ Instagram: Quick DAX tips, infographic summaries, and Q&A sessions.

½ Facebook & GitHub: Community discussions and open-source project code.

## 11. Mobile Experience

½ Responsive Breakpoints: Optimized for all screens from mobile phones (320px+) to 4K displays.

½ Touch Targets: Minimum 44px touch areas for error-free mobile navigation.

## 12. Troubleshooting & FAQ

½ Q: How do I download sample datasets?

½ A: Click the "Download Dataset" button inside any Project or Course modal. If blocked, check pop-up settings.

½ Q: Are all courses free?

½ A: Yes, ProBitian offers free access to public video modules and downloadable datasets.

½ Q: How do I toggle Dark Mode?

½ A: Click the Sun/Moon icon in the top navigation bar at any time.

## 13. Privacy Statement

ProBitian respects visitor privacy. Anonymous website analytics are tracked strictly to improve user experience. Personal contact information is kept confidential and never shared with third parties.
